There is a great tendency to find acceptance in the manner and style of the day. Adults seek acceptance as professionals through language, apparel, and their actions. Young people seek acceptance as part of a group, even if compromise is necessary to join. Desiring to be accepted, we want to be more like others. We refuse to admit our inabilities and weakness. Yet, it is through weakness that the strength we need can be found. Paul emptied himself of human strength and position and took on his weakness, but still found the strength that only Jesus could give to him. Jesus emptied himself fully, took on the weakness of human flesh, and through his action brought triumph over sin and death.

In a society that is rooted in accolades, material possessions, and positions, accepting weakness as a vehicle to strength is difficult. Yet, with faith we will find the strength that only God can give. Let us, therefore, accept who we are and find strength for God's work today and each day of our lives.

**IS HE NOT THE CARPENTER, THE SON OF MARY?:** In today's Gospel, Jesus is unable to perform many miracles in his hometown because of the lack of faith of the people there. They fail to trust in him as the Son of God because they cannot see past him as the son of Mary and the carpenter. Instead of seeing with the eyes of faith they let the limits of their human sight get the better of them. Do we often fail to see with the eyes of faith? Are there times where we limit God's work in our lives and in the world because we are unable to trust in the power of his love? To see with the eyes of faith allows us to recognize God's work in the world, in the Church and in others for us, and in us for others. There are no limits to what God is capable of doing through our lives, for "nothing is impossible with God." *On Mission for The Church Alive!* is an opportunity for us to grow in trust of the amazing things that God can do in and through us for the good of the Church and of our communities. Don't limit the great work of God. Visit [onmissionchurchalive.org](http://onmissionchurchalive.org) to learn more and to stay informed.
